

Grade 10 - Robotics

Lesson 2: Sensors and Actuators

This lesson introduces Grade 10 learners to the topic of **Sensors and Actuators**. It contains objectives, key concepts, examples, and a short activity.

Learning Objectives

1. Understand the main concepts of the lesson.
2. Apply the concepts through classroom activities.
3. Demonstrate learning through discussion and assessment.

Lesson Discussion

Sensors and Actuators is an important Grade 10 topic. Students are encouraged to analyze, discuss, and apply the concepts in real-life situations. Teachers may expand the discussion with examples, group work, and research activities.

Activity

Create a short reflection, worksheet, or presentation related to the lesson topic.
